## Maragon pupil puts her game face on

**Ruimsig** — Maragon's Chantelle Theron will be representing Central Gauteng in the SA Games in October.

The young athlete describes the games – which will take place from 2-7 October – as a miniature Olympics between the provinces of South Africa.

Chantelle, who has also been selected for the Gauteng netball team, will be taking part in the multi-events, being a seven-in-one combination of long jump, high jump, 100 metre hurdles, 200 metre sprints, 800 metre sprints, javelin and shot put.

This Grade 10 pupil dreams of one day competing in the Olympics. "I know they are big dreams, but I have the confidence to get there," she says passionately.

Chantelle will be attending a training camp during July at the High Performance Centre in Pretoria, where she will be trained by the head coaches from the University of Pretoria.

She also adds that she "loves Maragon", the school she has attended since Grade 4, and tells the *Roodepoort Northsider* that her school is fully behind her.
