## Maragon can be proud of their teachers

**Ruimsig** — Six of Maragon's teachers have been appointed as Independent Examinations Board (IEB) moderators again this year.

With a moderator in almost every subject, Maragon can be proud of their teachers.

Three of the school's teachers were selected as IEB regional moderators — Mia Peyper for physical science, Natelie Gower-Winter for life sciences, and Gayle Lee for accounting.

Karin Olls was appointed as an IEB national moderator for tourism, while Samantha Smit was appointed as both an IEB regional and national moderator for business studies.

Berna de Beer was chosen as the chief examiner for mathematics paper two and the provincial moderator for Limpopo.

It's not all academic achievements, however. Etienne Janse van Rensburg was appointed the under-16 selector for West Rand Rugby, and Grant Khomo is now the under-16 Lions' team manager.

Samantha Smit and Natelie Gower-Winter.

Maragon teachers Gayle Lee, Karin Olls, were appointed as IEB moderators again.

MARAGON IS PROUD
