Back row: R le Roux, T Mngqibisa, Mr S van Wezel (coach), C Valkenburg, R Bezuidenhout. *Picture submitted.*

Maragon golf day to raise funds for sports tour to Europe

Ruimsig — Maragon Private School will be hosting their very first annual sport tour golf day on Tuesday, 26 July at Roodepoort Country Club.

The aim of swinging golf clubs on the day is to raise funds for the high school rugby and netball players who will be touring England, Scotland and France during September 2011.

The format of play is none other than Betterball Stableford and the maximum handicap is 18.

To play, four-ball fees will be R1 700 per four ball or R425 per person.

Tee-off times will only be confirmed once proof of payment for each four ball has been received.

To sponsor holes and prizes, see details at end of article.

In terms of dress code, all gentlemen playing on the day must wear their selected rugby jerseys – no T-shirts will be allowed on the course – and women playing may wear netball shorts.

No casual shorts or shoes will be allowed on the course.

The selected charity for the day is the Gift 2 Hear Foundation for underprivileged children with hearing impairments.

Sponsorship and advertising opportunities on the day range from R1 200 to R2 000.

Hole sponsorship details:

- The first, ninth and 10th holes – R2 000 per hole; all other holes – R1 200 per hole.
- Four-ball plus hole sponsorship – R2

700 (R200 discount).

Marketing opportunities include putting your banners at the hole you sponsor, and supplying contact details and/ or company profile to all the golfers on the day.

Monies raised will go towards the rugby and netball tour to England, Scotland and France in the September.

"We believe that the exposure and networking potential for your business on the day will easily justify your investment in the event.

"We look forward to your support this year," Maragon sports coordinator, Etienne Janse van Rensburg said.
