

## Ready for winter action

**Ruimsig** — Gunn & Moore Maragon Cricket Club (GMMCC) are proud to say that it aims to maintain a high standard of cricket in all age groups with qualified, dedicated and passionate coaching staff and committed parents.

The club's winter cricket season started off on the 16 April, which saw GMMCC's sports fitness scientist take the boys through some fitness drills.

According to Gemae Lazenby, "We have a full schedule planned ahead for all age groups and look forward to a great season of winter cricket.

"Registration is ongoing for all aspiring new cricketers to join us for the winter season. Our under-7s will also be part of our winter season programme, and are invited to join GMMCC at no cost for the season.

"We also offer the running of the GMMCC Cricket Academy, which is ongoing throughout the year," says Gemae. "This incorporates one-on-one

private coaching with our qualified coaches."

### HOCKEY NEWS

"We are extremely excited to announce the start of our Gryphon Eagles Hockey Club for all junior players, and the under-7s register at no cost," says Gemae.

The club, run from Maragon Private School grounds, Ruimsig, had their first practice session last weekend, with a good turnout of male and female hockey players.

• Registration enquiries for either the cricket or hockey can be directed to Anne

on 082 728 1817, or email [anne.essential@telkomsa.net](mailto:anne.essential@telkomsa.net).
